

ULTIMATE BLACK

THE SELF-HEALING DEEPEST GLOSS BLACK ACCENT IN THE INDUSTRY

Ultimate Black is a high gloss self-healing black vinyl which is ideal for accents during wrapping. This KPMF product has been used for almost 10 years in Asia for roofs and accent pieces. It installs like a PPF product using a wet application method because there is no air egress liner. The material can stretch slightly, but is not designed to wrap an entire vehicle. It is perfect for roofs, small accents and especially chrome deletes. The special coating allows it to have an unrivaled high gloss finish that will self heal from small scratches and maintain its true black look for years.
